### **Subject: LETTER OF WARRANTY**

WARMPOOL warrants the performance of its products solely and exclusively in relation to their use, intended purpose and application as explicitly specified

THE PRODUCT WARRANTY IS VALID FOR 3 YEARS FROM THE DATE OF DELIVERY TO THE PURCHASER.

Any claim must be sent in writing to WARMPOOL together with a copy of the purchase invoice complete with date of delivery, description of the fault and number of defective products.

This warranty does not cover other expenses borne by the Buyer as a result of the poor condition of the products; in particular WARMPOOL will not bear the cost of collecting the defective products from the customers (including the cost of dismantling) and sending them replacement products.

Any liability on the part of WARMPOOL is explicitly excluded in the following cases:

- improper or unreasonable use, assembly and/or maintenance of the products, and/or their proper preservation;
- if damage or malfunctions are caused by work carried out on products without WARMPOOL's prior written authorization (e.g. disassembly, alterations, replacements, etc.);
- if quality and performance have been compromised by the addition of accessories not approved by WARMPOOL.

This warranty includes and replaces any other possible liability arising from the products supplied, regardless of their origin: in particular, the Buyer cannot claim damages, price reductions or cancellation of the contract. In no case WARMPOOL shall be liable for consequential damages or loss of profit.
