

TECHNICAL DATA SHEET

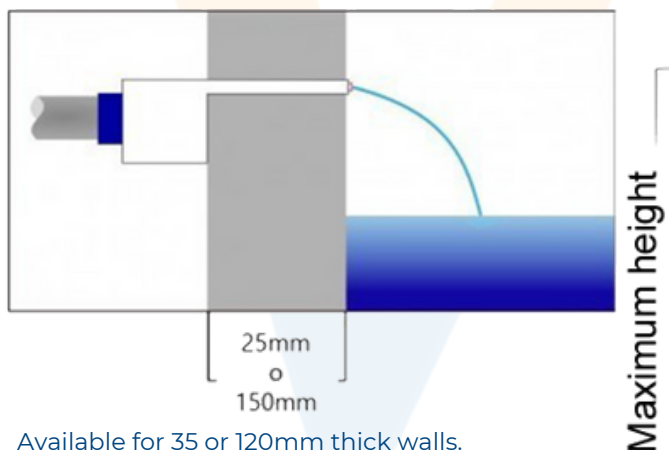

ACRYLIC WATERFALLS

Warmpool Acrylic Waterfall

Our acrylic waterfalls are made of high quality ABS. Thanks to their installation inside the wall, they fit well in all types of pools. Available in 5 different sizes and two types of reeds, you can choose between our basic and LED models. The LED models include an interchangeable LED strip, power supply and remote control.

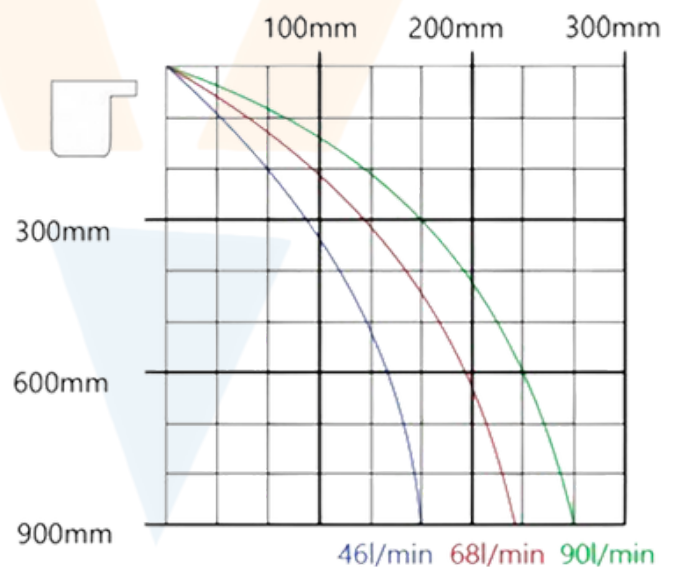

Water fall

Available for 35 or 120mm thick walls.

Note: this graph corresponds to the 600mm long waterfall.

For a 900mm length, 150% more flow is required and twice as much for 1200mm.
