

ACRYLIC WATERFALL FOR SWIMMING POOL

WARMPOOL

ACRYLIC WATERFALLS

Acrylic waterfalls are installed inside the wall allowing them to fit any type of design.

LED models include:

INTERCHANGEABLE LED STRIP

Cascades designed to last over time, with interchangeable RGB LED lighting, allowing for quick and easy repairs in just a few seconds without the need for a service call.

SAFETY TRANSFORMER

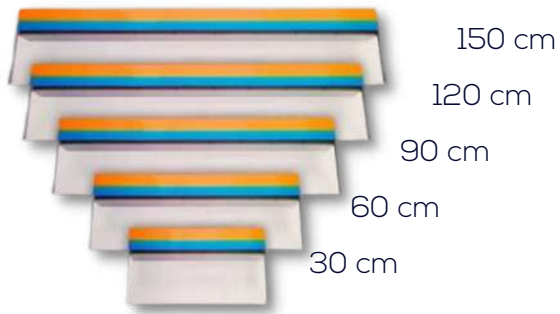

Compact size is designed to power the LED strip and controller in a stable and safe way, at only 12V.

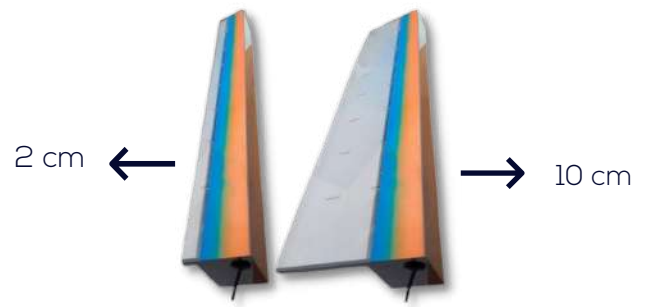

REMOTE CONTROL

We include an RGB controller with remote control that is simple to use and easy to install even by the end user.
